Preschool Summer Session June & July 2021

	Enrolled for Summer	Not enrolled for Summer, but returning in August
Full-Time	\$2,030.00	\$670.00
3 full days*	\$1,30.00	\$390.00
2 full days*	\$860.00	\$280.00

For the academic year, tuition will be divided into 10 monthly payments. Summer session is two months and must be paid in full by Friday, June 25, 2021. Families not enrolled for summer session, but returning in August 2021 must pay the holding fee by Tuesday, June 1, 2021. Credit is not issued for days missed due to vacation or illness. At this time, there is no discount for families with a second child enrolled, but when the budget permits, families may receive a 5% discount on the lowest tuition rate.

All parents sign a contract for care and are responsible for paying tuition according to their contract. A late fee of \$20.00 is assessed on all tuition not paid in full by the 18th of the month. Repeated late payments, or balances left unpaid by the end of the month, may lead to dis-enrollment. A \$25.00 charge will be assessed on checks returned for non-payment. Families must give a 30 day written notice if withdrawing before the end of their contract period and remain responsible for full payment during that period. After the 30 day notice, any remaining credit will be refunded by the university.

The center reserves the right to make changes in tuition with a 60 day notice. All families enrolled at the CDL are charged the same amount and are entitled to the same services and benefits of the program.

* There are a limited number of part-week slots and are only available when two families are available to share one slot.
